Alternate Delegate/NV Group Records Coordinator Report: Lisa S.

Presented what group records are, where you can make changes on the Members website, and how to make changes regarding your Group Information. Importance of keeping group records up to date is the responsibility of the GR and includes knowing your group unique ID, CMA, and communicating with Lisa and or WSO regarding changes. Lisa shared her screen showing the AFG site (links referenced below). There was a Q&A session, some questions:

- Update electronic or change form (snail mail) – prefer electronic but snail mail OK
- Newcomers – beginner meeting – can be a beginner meeting – slightly different format
- GR sent change via e-mail to DR – requested to go to WSO site instead
- Website information is not correct – email Webmaster directly or Lisa
- Zoom and Face-to-Face – current guidelines suggest one or the other but not combined
- New GR’s do not always know ID – check with DR or Lisa
- Alateen – Completely different guidelines than AFG meetings – check with Sue P. at WSO

OLD BUSINESS

Break Out Session – Thought and Task Forces:

Based on Group Representative choice the members were put into break out rooms to discuss and work on following Thought/Task Forces:

- Components for a Nevada Area Newsletter Guideline – Thought Force
- Fiscal “VS” Calendar Budget Year – Thought Force
- Conflicting Dates When Scheduling Area Assemblies – Thought Force
- Archives – Task Force

Literature Writing Workshop Presentation (Thought Force):

Charge: Use KBDM to discover what is known and unknown about writings for CAL. The Thought Force will brainstorm and come up with 3-5 ideas for writing workshops at the Area Assembly. To complete this task, the Thought Force will provide a user-friendly overview on how to submit members' writings.

The Thought Force broke this charge down into three (3) parts. The following is the brainstorming and ideas of the Thought Force:

CAL (Conference Approved Literature) is created by and for members of the Al-Anon Family Groups. The Forum and Al-Anon Faces Alcoholism is edited by a literature committee. Books, such as the new daily reader, is submitted to a free-lance editor.

Suggestions for submitting writings:

WSO has guidelines for writing sharing at the following link:

<https://al-anon.org/formembers/members-resources/literature-resources/send-your-sharing> or members can contact Area Forum representative.

1. Place a large manila envelope in the middle of the table addressed to WSO. Members sharing then go directly into the envelope to protect anonymity. The envelope is sealed and sent directly to WSO.
2. Use a sentence from CAL or a slogan as a topic
Share why a particular slogan has been important to your recovery.
Write a new slogan.
3. The following are suggestions for submitting members' writings:
Nevada Area Newsletter: nvareatimeseditor@gmail.com
Forum: Al-Anon.org/forumshare
Members' blog: there is a new topic each month. The members' share goes directly to the blog.
Tonopah Talks

Members of Thought Force: Jan R., Paul D., Stacey B., Paula M., Darlene E., and Sue W.

Possible next action: Recommendation to allow agenda time to present Writing Workshop at future Area Assembly, if unsure of how to carry out move this Thought Force to a Task Force to "take action".

Interactive CAL (Conference Approved Literature) Thought Force Presentation:

Charge: Review the scope of Al-Anon/Alateen CAL, including *The Forum*, Al-Anon's monthly magazine. Create an Assembly presentation on CAL (15-20 minutes max) with an interactive component. Include three to four distinct ways this presentation can engage Assembly members. The format of the presentation is the decision of the Task Force; however, if necessary, it could be adapted to an electronic format. The purpose of the presentation is to familiarize members with the wealth of CAL literature and to inspire members to sample more CAL. Complete this project for the 2021 Spring Assembly.

The Members of this Thought Force presented a very colorful, informative, and thought-provoking presentation. The presentation included Trivia Questions about Literature and there were "winners" for correct responses. Below are some highlights:

- 18 AFG books, 8 booklets, 41 pamphlets, The Forum, 4 Alateen books, 2 booklets, 19 pamphlets and quarterly Alateen Talks. 8 electronic pieces of literature, 3 DVD's and one Mobile App
- Purchase literature from WSO Store Tab, Area Literature Depot and Meetings

NEW BUSINESS

Unity of Fellowship and How to Safely Return to Face-to-Face Meetings – Candy L., Public Outreach Coordinator

Candy started her presentation with request of members to take a group inventory and possibly ask or think about the following topics. Are you ready to meet in person? Sit 6 Feet Apart? Wear masks and have available at your meetings to hand out? Hold hands? Provide hand sanitizer? Refer to AFG guidelines, i.e. Concept One and Tradition 2. Check with State/County/Federal guidelines for meeting size. Does location you meet have Wi-Fi so you could have a hybrid meeting? How would you fund cleaning supplies/or service?

Summary of comments as follows: Each Group is autonomous, follow guidelines of meeting facility, members seem to be reviewing “one day at a time”, some business meetings want to continue Zoom, seem to have better attendance, Who pays for the Zoom account?, WSO has no direct guidance, it is up to the Area/Districts/Groups.

Was a good discussion and members spoke up about what ways they are participating in group and business meetings at this time.

Public Outreach Coordinator Report: Candy L.

The Just for Tonight bookmark, M81 is now on the literature order form. I have participated in a Public Outreach conference call, held twice a year with next meeting being held in August. Some Public Outreach projects included \$ 4000 for retractable banners and a dinner menu of recovery tips (WA State). Ohio provided links across the state so people could get help. Georgia distributed the Just for Tonight bookmark and put their information on them, and Al-Anon Faces Alcoholism was handed out to police officers in their city along, with letters to Professionals. Another POC had a challenge with two letters per member to give to resources centers. Some AFA's were put at Kiosk's at rest areas along the highways. As NV Area, I had help with mailing AFA to school counselors and other health resources, that included the addition of including Zoom meeting information to the website so people reaching out for help could join us. (Candy showed poster samples and the menu)

There are printable posters available on the [Al-Anon.org/members/public outreach](http://Al-Anon.org/members/public%20outreach) tab. Two sizes are available, 8x11 and 8x17. You can also change them to your Area and are available in English, French, and Spanish.

The WSO has new vendor running PSA's. Previously kits had to be taken to TV and radio stations. Radio no longer available. In 2019, 42,000 PSA's ran, in 2020 47,000 PSA's are running, only on TV. PSA's include 20 questions and an Alateen PSA, in English, French and Spanish, 3 different lengths. (Candy ran the PSA samples)

Methods of Public Outreach include AFG connects, Facebook and LinkedIn, AFG faces Alcoholism, on the public outreach and literature forms. Can scan with QR code. POC now reviews what is sent for publishing. Currently waiting to review list of PSAs that are available, there is a new company running the PSA's and the review will allow for changes for specific Areas. The vendor provides to TV stations, not AFG member as in the past. A list will be provided to NV Area TV stations are playing PSA's. Text or e-mail Candy with questions and/or comments. Thank you for letting me be of service, Candy
