*The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is family illness and that changed attitudes can aid recovery.*

*Al-Anon Information Service lists a group when there is an informal agreement that the group will abide by the Al-Anon Traditions and keep its door open to any Al-Anon member. A listing in this Directory does not constitute approval or disapproval of any group's manner of practicing the Al-Anon program. If the group you attend is not right for you, please try another. There is help and hope in Al-Anon.*
