New Business: Karen S. NV Area Treasurer:

Karen presented background information about EIN,TIN, and SS; including where NV Area falls within these entities to receive funds. Currently no TIN so paying for registration with outside services is not currently possible. However, the Area can accept group donations. Proposed to try a 1 year trial March 2026 through March 2027 to accept Zelle for group donations. Passed by consensus. Karen provided instructions of how to send in donations via Zelle or mail, keeping in mind the Group Name/ID in the memo field.

Coordinator Reports:

Coordinators are in their first year of service, the AIS Coordinators are doing well so far, have a lot of ideas of how to reach out and get the word of AFG to the public. Alateen Coordinator not present, her report was included in Delegate discussion about electronic Alateen meetings in NV, more will be revealed. WEB, Newsletter, Literature Coordinators seem to be doing well and getting help from former Coordinators as needed. As mentioned above Literature Coordinator would like a Work Group to help with spreading the word about literature. The flyer for the Fall Registration has been created and will be posted on the NV Area Website.

How to Give your Area Report to your Group: A panel of members shared about methods used to proved report to your group when you return after attending Area Assembly. Some great hints and helpful ideas. Thank you to Judy K., Sue W., Michele S. and Terry H.

Ask it Basket: Questions were read from the microphone and answered by the Past Delegates.
